# TOTER USE

## GUIDELINES

### Blue Toters

#### High-Grade Paper Only

Includes magazines, soft-cover books, phone books, computer paper, coupons, direct-mail ads, notebook and school paper, flyers, brochures, and NCR paper.

Does not include newspaper or newsprint.

Hard-cover books may be included only after the covers are removed and discarded in regular garbage.

Any excess can be tied in bundles and placed alongside the full toter.

#### Home & Business Pickup

By 7 a.m. on pickup days, push your toter into the driveway near the curb, making sure it is visible to work crews.

Blue-toter contents are picked up on the last Thursday of each month except in November due to Thanksgiving.

#### Newspapers

- Place in body of toter.
- Excess newspapers may be tied and stacked alongside the toter.
- Do not include high-grade paper, magazines, junk mail, cardboard or plastic bags.

#### Glass, Aluminum & Plastic Bottles

- Place in black insert or in gray 20-gallon can supplied with toter.
- Excess glass, aluminum, and #1 containers such as plastic soda bottles may be placed in reusable containers alongside the toter. All containers must be similar in size to the insert or the can supplied with the toter. No boxes, paper, or plastic bags.
- Do not place window-pane glass, broken glass, tin cans, aluminum foil, aluminum trays, or plastics other than soda bottles in toter insert, gray can, or extra containers.

#### Home & Business Pickup

Review the pickup schedule on the opposite page. By 7 a.m. on pickup days, push your toter into the driveway near the curb. Make sure the toter is visible to work crews. The gray can goes out with the green toter.

For pickup, green toters must be out, even if empty.

Green-toter recyclables are collected in two pick-ups: first the glass, aluminum and plastic; later, the newspapers.

### Green Toters

#### Improperly Filled Toters

Please be aware that improperly filled toters will not be emptied. For instance, bottles may not be placed in the body of the green toter where newspapers belong, and no regular garbage may be placed in toters.

#### Missed Pickups

If newspapers are missed, call the Department of Public Works at (973) 378-7741. If glass, aluminum, or #1 plastic bottles are missed, call the First Occupational Center in Orange at (973) 674-6266. Calls should be made no later than the day after scheduled pickup.

#### Snow Alert

In the event of substantial snow, recycling collection will be postponed to the next working day. Cancellations are aired on Seton Hall Radio Station WSOU-89.5 FM.

#### Styrofoam

Styrofoam cannot be left at the DPW Depot.

#### Construction Materials

At no time will the township pick up any type of construction material, either from residences or businesses, nor can such materials be brought to the DPW Recycling Yard.

#### Appliances, Metals, Large Household Items

Free Public Works pickup of all such items is arranged by appointment. Call (973) 378-7741. Glass must be removed before pickup. Allow six to eight weeks for an available appointment from time of call.

Metal appliances and all-metal items may be brought by residents directly to the Public Works Yard during regular hours.

Large items such as sofas, televisions, computers, and mattresses may not be brought to the yard.

#### Corrugated Cardboard

The township does not pick up corrugated boxes. Residents and business owners can drop them off at the Public Works Yard. No packing material is allowed.

# Recycling Schedule

## Newspaper, Glass, Aluminum, Plastic (Green Toter)

### ZONE #1

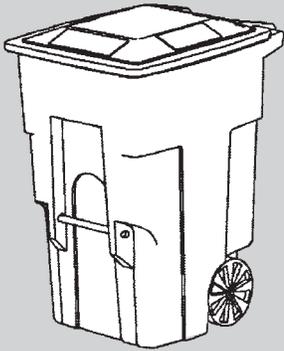

Jan. 8      July 16  
 Feb. 13 \*      Aug. 13  
 Mar. 12      Sept. 10  
 April 16      Oct. 15  
 May 14      Nov. 13 \*  
 June 18      Dec. 10

### ZONE #2

Jan. 10      July 18  
 Feb. 14      Aug. 15  
 Mar. 14      Sept. 12  
 April 18      Oct. 17  
 May 16      Nov. 14  
 June 20      Dec. 12

### ZONE #3

Jan. 12      July 20  
 Feb. 16      Aug. 17  
 Mar. 16      Sept. 14  
 April 20      Oct. 19  
 May 18      Nov. 16  
 June 22      Dec. 14

### Appliances & All-Metal Items

Jan. 2      July 10

- Telephone books
- Wet paper
- Egg cartons
- Plastic bags/wrap
- Corrugated & other cardboard boxes
- Cereal & similar boxes

## Recycling is the Law!

Toter use is mandatory for curbside recycling in South Orange. Once a toter is purchased, collection is provided at no additional charge.

An alternative to curbside recycling is drop-off at the Public Works Yard, located at 300 Walton Avenue, opposite Thornden Street.

Financial assistance for toter purchase is available to qualifying senior citizens and handicapped individuals.
