Recycling is the Law

Toter use is mandatory for curbside recycling in South Orange. Once a Toter is purchased, collection is provided at no additional charge.

An alternative to curbside recycling is drop-off at the Public Works

Yard, located at 300 Walton Avenue, opposite Thornden Street.

**By 7 a.m. on your collection day,
place your toter in the driveway
near the curb. Make sure it is
visible to work crews.**

Rigid Plastics

Rigid plastic recycling is done by drop-off only at the Recycling Depot. The items cannot be placed in Toters. Examples include:

- plastic garden furniture
- plastic toys
- plastic bins and buckets
- plastic crockery
- plastic food containers
- plastic gardening equipment

Rigid plastics usually do not have a recycling number as found on plastic bottles; they are generally made of #2 HDPE resin.

If you have unwanted plastic toys in good condition that your children have outgrown, try donating them first to daycare centers, houses of worship, Good Will, the Salvation Army or another social service agency.
