- The number of individuals at the gathering must be limited to 100 persons or fewer;
- All individuals at the gathering should wear face coverings at all times where other social distancing measures are difficult to maintain, in accordance with CDC recommendations, except where doing so would inhibit the individual's health or where the individual is under two years of age;
- All attendees at the gathering are required to be six feet apart from other attendees at all times, excluding immediate family members, caretakers, household members, or romantic partners;
- There may be no contact between attendees, excluding immediate family members, caretakers, household members, or romantic partners;

- Any physical items, including equipment, may not be shared by multiple attendees of the same gathering except for immediate family members, caretakers, household members, or romantic partners, unless such physical items are sanitized before and after use by different individuals;
