June 19, 2021

Adam D. Loehner  
Village Administrator  
Township of South Orange Village  
76 South Orange Ave  
South Orange, NJ 07079

Dear Mr. Loehner:

RichView Consulting appreciates and supports the Township of South Orange Village's desire to enhance its shade tree program. This company can provide consulting services to assist and guide the Village in reaching its goals. A healthy, safe and viable population of trees is a positive attribute to the community and its residents.

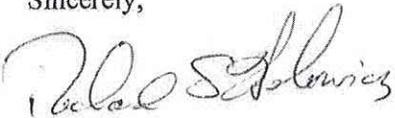

RichView Consulting is a sole proprietorship whose reputation is built on a firm foundation in community forestry. The two NJ Licensed Tree Experts on staff have over 60 years of experience in the tree industry. This company's background is in municipal and utility forestry and extensive private tree care. This company has the experience and the expertise to assist the Village in its tree endeavors.

Currently, RichView Consulting provides professional services to several neighboring municipalities, but we have the capacity to provide consulting services to the Village of South Orange. Writing reports, contract specifications, meeting with residents and following up on work adherence, ascertaining the health and condition of trees are some of the professional results that are this company's strengths. We can handle projects in suburban settings, including, planting, hazard tree assessments, maintenance recommendations and diagnosis.

The daily rates to provide services to the Village would be \$85 per hour with at one hour's minimum charge. Mileage reimbursement would be based on current IRS Guidelines.

I do hope we have the opportunity to meet and answer any questions that your or the Board of Trustees may have.

Sincerely,

Richard S. Wolowicz, NJLTC #281  
RichView Consulting
