

FREE COVID-19 VACCINES AVAILABLE

GET YOUR BOOSTER TODAY

All workers in health care and high risk congregate settings must be up to date on their COVID-19 vaccinations, including boosters (per Executive Order No. 283)

Covered workers includes all full-time and part-time employees, contractors, and other individuals who work in health care facilities and high risk congregate settings, including those providing operational, custodial, or administrative support

Most Health Care Settings
(Most Medicare and Medicaid-certified providers and suppliers)

By January 27, 2022
Workers must obtain first dose of primary COVID-19 vaccination series

By February 28, 2022
Workers must provide adequate proof that they are up to date with COVID-19 vaccination (including a booster dose within 3 weeks of becoming eligible)

High Risk Congregate Settings & Remaining Health Care Settings

By February 16, 2022
Workers must obtain first dose of primary COVID-19 vaccination series

By March 30, 2022
Workers must provide adequate proof that they are up to date with COVID-19 vaccination (including a booster dose within 3 weeks of becoming eligible)

Vaccinated people who receive a COVID-19 booster are likely to have stronger protection against serious illness
